**Targeting Gross Rents to Lower Levels**

- Up to 5 points may be awarded based upon the depth of the targeted gross rent levels for the development.

- Two points will be awarded if at least 40% of the total units in the development have a targeted gross rent level that is affordable to households whose income level is at or below 50% of the applicable AMI. These units shall be in addition to any units selected at 40% AMI or less.

NOTE: Applicants must agree to have the development rents bound by the targeting commitments as set forth in the application form for the duration of the 15-year compliance period, which will be incorporated in the LURA. **Effective Use of HOME/CDBG-DR/HTF Funds (for developments applying for HOME/CDBG-DR/HTF funds)**

Prior to the scoring team meeting, NDED will independently evaluate each of the applications, which include a request for State HOME/CDBG-DR/HTF funds. This evaluation will be based upon the information contained in the joint NIFA/NDED application in order to ensure that the following items are satisfied:

(a) Site plans have been prepared which are appropriate for the development and development’s location;
(b) Applicant has obtained appropriate site control;
(c) All subsidies needed for the development are in place or applicant has provided sufficient documentation that all subsidies are obtainable;
(d) A syndicator has provided a firm commitment to the applicant for the development which includes firm pricing with a range no greater than $0.05;
(e) Construction financing has been secured for the development;

Evaluated by DED
(f) Permanent financing has been secured for the development (if permanent financing is required);

(g) The Development Worksheets submitted by the applicant evidence that the financing terms and debt service coverage will provide for long term sustainability of the development; and

(h) The request for HOME/CDBG-DR/HTF funds does not exceed 25% of the total development costs.

(i) Efficient Housing Production for HOME/CDBG-DR/HTF Funds will be evaluated by cost per unit, cost per residential finished square foot (not including garages, unfinished basements, and storage areas), and HOME/CDBG/DR/HTF per occupant. Each measure can receive up to 4 points.

(j) Each project will be evaluated in accordance to 24 CFR 92.250.

NDED will work with and notify applicants prior to the final application due date as to whether or not NDED has approved the site selected for the development and whether or not NDED is committed to funding a development if that development receives a tax credit allocation. During the scoring process, NDED will provide the scoring team with a list of the developments that NDED is prepared to fund based on the above-mentioned criteria. NDED will fund developments requesting HOME/CDBG-DR/HTF funds based on the final ranking made by the scoring team and approved by the NIFA Board until the balance of HOME/CDBG-DR/HTF funds are allocated. NDED reserves the right to reduce HOME/CDBG-DR/HTF funding to a maximum of $500,000, regardless of ranking. If applying for HOME/CDBG-DR/HTF funds, it is required that you provide a commitment letter from an alternative source for the balance above the $500,000 in the event that the development does not receive the full amount requested for HOME/CDBG-DR/HTF. If NDED is unable to fund a development in its entirety (with the total HOME/CDBG-DR/HTF request applied for within this LIHTC Application) and there is no documented source of alternative funding, NDED will not recommend that development for a HOME/CDBG-DR/HTF allocation and it will be the responsibility of the Applicant to secure additional funds for the development. NDED reserves the right to not fund applications based on the status of other federal and state funding sources, including those involved in the development and any conditional reservation of funds, regardless of ranking.

### Natural Disaster Designation

### H. FINAL RANKING

1. NIFA/NDED will rank each application according to the total number of points awarded in each of the Threshold, Other and NIFA-scored criteria.

2. After evaluating and scoring all applications received for each application acceptance round, NIFA/NDED will consider the following factors in determining which development will receive a LIHTC reservation if there is a tie between applications. (NOTE: In the event that more than one development in the CRANE program rises to a category one in the same month and the CRANE program does not have sufficient LIHTC to fund such CRANE developments, the following factors will determine which development will receive a LIHTC reservation.)

   (a) consideration given to meeting the established set-asides;

   (b) which serves the lowest-income tenants;

   (c) which obligates the owner to serve qualified tenants for the longest period of time;

   (d) which application demonstrates the highest readiness to proceed with the development;

   (e) which provides the most efficient usage of the LIHTC on a per-unit basis; and

   (f) which is located in a QCT and contributes to a concerted community revitalized plan.

### OVERVIEW OF RANKING PROCESS – CONSIDERATIONS

1. NIFA may disqualify applications from applicants who have previously failed to place into service developments which have received a Carryover Allocation or who have not fulfilled its obligation of any previously issued LIHTC commitment notice.

2. NIFA shall award LIHTC and AHTC only in the amount needed based on the review of the development. The award of LIHTC and AHTC or the determination of any allocation amount in no way represents or purports to warrant the feasibility or viability of the development by NIFA. NIFA will, from time to time, set a maximum amount of LIHTC and AHTC that can be allocated to a development in an amount, which it deems appropriate, given the demand for Nebraska’s LIHTC and AHTC and the relative proposed costs of currently competing development applications. No member, officer, agent or employee of NIFA shall be personally liable concerning any matters arising out of, or in relation to, the allocation of the LIHTC and AHTC.

NOTE: Should the Nebraska Department of Revenue, IRS or the Department of the Treasury release rulings, notices or regulations that modify or change any of the information of this application, these rulings, notices or regulations will take precedence over the written material in Nebraska’s LIHTC and AHTC Allocation Plan and application. Copies of Applications submitted pursuant to the Qualified Allocation Plan (which includes applications for 9% LIHTCs, AHTCs, 4% LIHTCs and CRANE will be made available by NIFA to the public (other than during the active review process) upon written request. Additionally, NIFA will post the scores for Applications at www.nifa.org.

**By submission of an Application pursuant to the QAP, applicant acknowledges and agrees to such publication of its Application and related information.**
