

# Memorandum

**TO:** NIFA Participating Lenders  
**FROM:** Jacki Young, Chief Homeownership Officer  
**DATE:** September 18, 2017  
**SUBJECT:** Memo #17-12, Changes to Homeownership Team

---

We are sending this to share news about changes to our homeownership team. Cindy Trautman has decided to retire from NIFA after more than 14 years of service. Her primary focus over the past 30 years in real estate and mortgage lending has been first-time homebuyers. She is now ready to kick back and spend more time with family and travel. Cindy's leadership, commitment and friendship will be greatly missed. Her last day is September 29th. We wish her the very best in the future!

NIFA is pleased to introduce Amanda Wusk to the team. Her title is Homeownership Relationship Manager. Amanda graduated from the University of Nebraska-Kearney with a Bachelor's Degree in Sports Management & Marketing. Her main responsibilities include building strategic relationships with customers and partners using social media, website engagement and the development of training and marketing tools to increase public awareness of NIFA's program benefits. Welcome to the team Amanda!

Attached is an updated NIFA Contact Sheet. We always welcome any questions and enjoy working with all of you!
