** If the Project Owner has elected to fix the credit percentage pursuant to Section 42(b)(2) or (3) in the Carryover Allocation Agreement, this credit percentage is fixed and binding upon all buildings in the project with respect to which the allocation is made, and upon the Project Owner and all successors as owners of those buildings in the project. If no such election is made, this cre is an estimate for purpose of making the carryover allocation. The Project Owner understands that the actual credit percentage may change depending upon the month in which the project is placed into sei

If the Project Owner has elected to fix the credit percentage pursuant to Section 42(b)(2) or (3), then the elected credit percentage must be used on this page for purposes of calculating the maximum credit :
