OVERVIEW OF RANKING PROCESS – CONSIDERATIONS

1. NIFA may disqualify applications from applicants who have previously failed to place into service developments which received a Carryover allocation or who have not fulfilled ~~its~~their obligation of any previously issued LIHTC ~~commitment notice~~ Conditional Reservation.
2. NIFA shall award LIHTC and AHTC only in the amount needed based on the review of the development. NIFA will, from time to time, set a maximum amount of LIHTC and AHTC that can be allocated to a development in an amount, which it deems appropriate, given the development's LIHTC and the relative proposed costs of currently competing development applications. No member, officer, agent or employee of NIFA shall be personally liable concerning any matter arising out of, or in relation to, the allocation of the LIHTC and AHTC.

NIFA should the Wisconsin Department of Revenue, IRS or the Department of the Treasury release rulings, notices or regulations that modify or change any of the information of this application, these rulings, notices or regulations will take precedence over the QAP and application. Copies of applications submitted pursuant to the QAP (which includes applications for 9% LIHTC, AHTC, 4% LIHTC and CRANE) will be made available by NIFA to the public (other than during the active review process) upon written request. Additionally, NIFA will post the scores for applications at www.nifa.org.

By submission of an application pursuant to the QAP, the applicant acknowledges and agrees to such publication of its application and related information.
