Subject: Public Records Request

Dear NIFA Team:

Under the **Nebraska Public Records Law § 84-712 et seq.**, I am requesting an opportunity to inspect or obtain copies of public records, as detailed below.

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$25. However, I would also like to request a waiver of all fees as I am a student at Georgetown University and I am making this request to further an academic project in which I am involved. This information is not being sought for commercial purposes.

The Nebraska Public Records Law requires a response time of four business days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering my request.

Sincerely,

Masha

Mariya V. Prokhorenko
